in Literacy and Numeracy”***

**The third transnational meeting organized within the strategic partnership "Hands-on Development Strategies in the Content-Centered Context for Young and Adult Learners with Poor Basic Skills in Literacy and Numeracy" within the Erasmus + Programme, Tulcea / Romania.**

The third transnational meeting of the Strategic Partnership Erasmus + "Hands-on Development Strategies in the Content-Centered Context for Young and Adult Learners with Poor Basic Skills in Literacy and Numeracy" in which the Teacher's Training Centre Tulcea is a partner was held in Tulcea, during the week from 3rd to 7th October 2016. A professional team of trainers from Tulcea held a training session which focused on the topic of vulnerable groups integration and facilitating the learning of students who have difficulties in literacy and learning mathematics. The 10 teachers coming from Hungary, Lithuania, Spain and Turkey shared the experience acquired in the schools where they work.

The meeting agenda included a visit to the Special Secondary School Nr. 14 from Tulcea whose teachers, together with the European teachers, participated in an activity focused on the inclusion of students with special educational needs.

The training session held at the Teacher's Training Centre brings added value in the field of education and professional training in the Tulcea County.
